

GRETCHEN WHITMER
GOVERNOR

STATE OF MICHIGAN
DEPARTMENT OF LICENSING AND REGULATORY AFFAIRS
LANSING

ORLENE HAWKS
DIRECTOR

September 24, 2019

Dear Licensing Partner:

As you are probably aware, in 2018 the Governor signed into law Public Act 524 of 2018 and Public Act 563 of 2018 which made Michigan a member of the Interstate Medical Licensure Compact Commission (IMLCC). The compact allows physicians (both MDs and DOs) who are licensed in other compact member states the ability to get licensed easier in the State of Michigan based on having a compact license. It also allows Michigan physicians to get licensed in other compact member states.

Since the passage of this law we have been working with the IMCC to implement the program. I am pleased to announce that starting today, September 24, 2019, Michigan physicians and physicians in other compact states will be able to take advantage of the IMLCC.

Attached is a frequently asked question (FAQ) document with information pertaining to the IMLCC. I would also encourage you to visit the IMLCC's website (www.imlcc.org) for additional information.

As always, I look forward to our continued partnership and if you have questions/concerns, please feel free to contact Brian DeBano, Licensing Director at 517-335-4282 or DeBanoB1@michigan.gov or Kim Gaedeke, Chief Deputy Director of LARA and member of the IMLCC at 517-243-5044 or GaedekeK@michigan.gov.

Sincerely,
