

THE 10TH ANNUAL MICHIGAN GREEN HEALTHCARE CONFERENCE CALL FOR SPEAKERS

Oct. 4 & 5 | Radisson Lansing at the Capitol | Lansing

The 10th Annual Michigan Green Healthcare Conference Call for Speakers is now open and will close April 28, 2017.

The Michigan Health & Hospital Association's Michigan Green Healthcare Committee is having an open call for presentations and is urging leaders in the field of sustainability and health to submit their ideas.

TOPICS WE ARE LOOKING FOR INCLUDE, BUT ARE NOT LIMITED TO:

- Green Buildings
- Energy/Water Conservation
- Safer Materials/Chemical Reductions
- Waste Management
- Environmentally Preferable Purchasing
- Healthy Food
- Health Administration/Finance
- Clinician Engagement
- Leadership
- Climate Change & Health

As a benefit to approved speakers, conference registration fees will be waived.

IF YOU WOULD LIKE TO BE CONSIDERED AS A SPEAKER FOR THE 10TH ANNUAL MICHIGAN GREEN HEALTHCARE CONFERENCE:

Please submit a proposal with the subject line **"Speaker Proposal"** to kcavanagh-strong@mha.org by April 28. For more information, contact Kristen Cavanagh-Strong at kcavanagh-strong@mha.org.

Please include the following information in your proposal:

- **Contact Information:** Name, credentials, degrees, title, hospital/organization, address, city, state, ZIP code, phone and email addresses for each presenter.
- **Title of Proposal**
- **Description:** A 200- to 300-word summary describing your proposed presentation.
- **Objectives:** List four to six learning objectives you plan to cover.
- **Speaking Experience:** Identify past speaking experiences, including the name of the event, hosting organization, description of the primary audience, approximate number of attendees, title of your presentation, and a two- to three-sentence description of that presentation.
